Frequently Asked Questions about Mulch

1. How much mulch do I need?

One 3 cu ft bag of mulch will cover approx. 2 sq yards at a 2 inch depth. (2 sq yards = 3 ft by 6 ft at a 2 inch depth)

2. What is mulch and why use it?

Mulch helps to retain soil moisture and promote root growth - there is less need to water. It improves soil fertility and appearance. It recycles, reduces weeds and looks great!

3. What does it look like?

Use the picture on your flyer.

4. How much is it?

Only \$6 per bag for a good cause. Comparable prices at store \$6 to \$7 dollars and if you order 10 bags we will deliver it for free!

5. Is it heavy? Each bag weighs approximately 50 pounds.

6. How will I get this home?

If you pick up at GBS on May 1st we will load your car – or we will deliver for free if you order 10 bags or more. Just tell us where to put it if you are not home. If you order less than 10 bags, there is a \$10 charge for delivery.

7. I can't use 10 bags. How can I avoid the delivery charge?

“Talk to your neighbor. Maybe you can split an order.”
